Headline:
Cloudier and milder today but most places staying dry.

Today:
A few showers for Devon and Cornwall first thing, but otherwise it will be a dry day with a mixture of cloud and bright or sunny spells. Feeling slightly milder with winds continuing to slowly ease. Maximum temperature 13 deg C (55 deg F).

Tonight:
Often cloudy overnight, but occasional clear spells are likely. A few showers may affect areas adjacent to the Bristol Channel. Mild and becoming breezier, especially on western coasts. Minimum temperature 8 deg C (46 deg F).

Saturday:
Largely dry with bright spells, but becoming windy. A few showers are possible during the morning with a band of rain arriving from the north later in the afternoon. Mild. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:
Cooler on Sunday but largely dry with bright spells, though remaining breezy. Milder and cloudier on Monday with patchy rain in the west later. Tuesday looks cloudy with patchy drizzle.
